## TOWN WARRANT

To Richard D. Emery, a Constable of the Town of Dedham,  
in the County of Hancock, GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the said Town of Dedham, qualified by law to vote in town affairs, to assemble in the town hall, in said town, on Monday, the 12th day of March, A. D. 1934, at ten o'clock in the forenoon, to act on the following articles, to wit:

Article 1 To choose a moderator to preside at said meeting.

2 To choose a town clerk for the ensuing year.

3 To act on reports of town officers.

4 To choose all necessary town officers for the ensuing year.

5 To see if the town will vote to grant and raise such sums of money as may be necessary for the maintenance and support of schools, poor and town charges, roads and bridges, removing snow, and to defray all the necessary town charges for the ensuing year.

6 To see if the town will vote to raise a sum of money to help defray the expenses of Memorial Day.

7 To see if the town will vote when taxes shall be due and what rate of interest shall be charged after due.

8 To see if the town will vote "Yes" or "No" on the question of appropriating and raising money necessary to entitle the town to State-aid as provided in Sect. 20, chapter 28, Revised Statutes of 1930.

9 To see what sum the town will appropriate and raise for the improvement of the section of State-aid road as outlined in the report of the State Highway Commission, in addition to the amounts regularly raised for the care of ways, highways and bridges, under the provisions of Sec. 19, Chap. 28, Revised Statutes of 1930, or under the provisions of Sec. 3, chapter 175, Public Laws of 1933.

10 To see if the town, for the purpose of securing a temporary loan or loans to and for the use of said town in conducting its municipal business in the current municipal year of 1934, and in anticipation of and to be paid out of the taxes of the current municipal year of 1934, will authorize and direct the town treasurer, subject to the approval of the selectmen, to borrow from time to time during said municipal years, a sum or sums not exceeding in the aggregate, the sum of \$4,000 dollars, and to make, execute and deliver the negotiable

note or notes of the town therefor, payable within said current municipal year and upon such terms as shall be satisfactory to said town treasurer and selectmen, any debt or debts incurred hereunder to be paid out of money raised by taxation during the present municipal year.

- 11 To see what the town will vote to pay for collecting, disbursing, labor on roads, removing snow, etc., and all town officers for the ensuing year.
- 12 To see if the town will vote to authorize the town treasurer to sell and convey the town's interest in lands and buildings that have been, or may be forfeited for non-payment of taxes.
- 13 To see if the town will vote to authorize the assessors to determine the amount and assess the same made necessary to comply with the provisions of chapter 43, of the Special Laws of Maine for 1927 relating to the participation of Lucerne-in-Maine Village Corporation, in the town taxes.
- 14 To see if the town will vote to grant and raise a sum of money to provide for the services of a public health nurse.
- 15 To see if the town will vote to raise a sum of money, not to exceed \$150, to be expended on the road from Dedham village to Holden town line, near Arthur Houston's.
- 16 To see if the town will vote to raise the sum of \$50, for the improvement of cemeteries.
- 17 To see if the voters of the town of Dedham will authorize an audit of the town books for the term of ten years back.
- 18 To see if the town will vote to have school bus go to the last house at No. 7, on Orland road.
- 19 To take all necessary action to comply with the provisions of chapter 43, of the Special Laws of Maine, 1927, relating to special assessments.

The selectmen will be in session at the Town Hall, at 9 o'clock in the forenoon on the day of said meeting for the purpose of correcting and revising the list of voters.

Given under our hands at Dedham, this 28th day of February, A. D. 1934

GEORGE W. BREWSTER,  
 GEORGE A. GRAY,  
 RICHARD D. EMERY,

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Committee and Citizens:

I am herewith submitting my annual report of the condition and needs of the school. Mrs. Dorothy Lord and Mrs. Josie Smith have continued as our teachers for the year. The teachers have given each day's work previous preparation and careful planning, and much progress has been made in all classes.

Our transportation has been very satisfactory this year.

Sometimes parents fail to cooperate with the teachers, and so become a grave hindrance to the child in doing its best. The parents are the ones who should be most interested in the welfare and progress of the child. To make a successful school, parent and teacher must work together.

The enrollment for all grades has been 47, high school, 11. Total, 58.

The School Committee is recommending for 1933-34, as follows:

Common schools .....	\$2,200.00
Interest .....	68.98
Repairs .....	100.00

I wish to thank the school board, teachers and parents for all cooperation and assistance during the year.

Respectfully submitted,

C. O. TURNER,

Supt. of Schools.

## NURSE'S REPORT

---

"To the Citizens of the Town of Dedham, Maine:

As public health nurse for the Hancock County Health Service, I submit my report of the work accomplished in the town of Dedham for the year 1933.

Full physical inspection has been given the primary and grammar schools, and as a result of the inspection, the following defects were found:

Primary—Defective vision, 1; carious teeth, 16; nasal obstructions, 2; abnormal throats, 4; postural defects, 1; 10 per cent. or more underweight, 1. Of the 17 pupils inspected, 16 were found to have defects. Two corrections have been made from previous inspections—dental, 1; tonsils and adenoids removed, 1.

Grammar school—Of the 21 pupils inspected, 20 had defects which may be corrected, as follows: Vision, 2; carious or decayed teeth, 17; nasal obstruction, 1; abnormal throats, 4; skin eruptions, 2; postural defects, 3; 10 per cent. or more underweight, 1. Ten pupils had decay of the temporary teeth only, while 8 had permanent teeth decays. Notification slips were sent to the homes, stating the defects found in the individual pupils.

Several visits were made to the schools for the purpose of class room inspections for rashes, sores and any symptom of contagious diseases.

The nurse accompanied Florence York to and from Dr. Clement's, Bangor, for the examination of her eyes and to have her fitted with glasses.

Several visits were made to a young child who had been at the Shriners' Hospital at Springfield to be operated upon for a club foot. The child is now able to walk normally.

Welfare visits have been made to babies, pre-school children and to the school children in school follow-up work.

The nurse is ready and willing at all times to answer calls of emergency in illness or accident, and will convey pupils to physician, dentist or hospital for correction of defects.

The work which the Hancock Health Service is able to render the towns of Hancock county is financed through the sale of Christmas seals and by town appropriation. For this we extend our grateful appreciation.

WINIFRED LOUISE DUNPHY, R. N.

## REPORT OF SUPERINTENDENT OF SCHOOLS

### SCHOOL COMMITTEE:

Everett T. Black, George Brewster, Elmer Gray

To the School Committee and Citizens:

Herewith, I submit my annual report. The enrollment is as follows: Grammar school, 22 pupils; average attendance, 19. Primary school, 23 pupils; average attendance, 18. High school pupils, 12.

The teachers for last spring were Mrs. Lord and Mrs. Smith. Since September, Miss Sperry has taken Mrs. Lord's place in the grammar school. Teachers have had the support and help of parents to a large degree.

Education is the process of guiding the pupil in his ability to adjust himself to the many changes in the world. Teaching is carried on in the home. Some of the most effective education is before the child enters the school. Therefore, I urge everybody to visit the school and so assist the school.

The school needs a few minor repairs, like cutting through a door from Mrs. Smith's room to shed, and labor on toilets.

Our recommendations for 1935-36, are:

Common schools .....	\$1,500
Repairs .....	100

May I thank the school committee, teachers and parents for loyal support the past year.

Respectfully submitted,

C. O. TURNER,

Supt. of Schools.

The work in the schools has been much the same as previous years. Full individual inspections have been given the pupils. Defects found: Slight eye strain, 1; defective vision with glasses, 1; defective vision, 3; defective hearing, 9; carious and defective teeth, 28; abnormal throats, 7; nasal obstruction, 1; postural defects, 5; 10 per cent. or more underweight, 2; 20 per cent. or more overweight, 0; defective skin, 6; unclean scalps, 3; defective speech, 1.

Of the 36 pupils inspected, 32 were found with defects, and four eligible to qualify for the six and seven-point pins and certificates.

Twenty-three of the 28 having carious teeth, had temporary teeth decays, while seven only had permanent teeth decay; 15 needed prophylactic cleaning.

Notification slips were sent to the homes giving the defects found, and health talks were given in the class rooms.

Defect corrections: Dental, 2; tonsils and adenoids, 2; vision, 2.

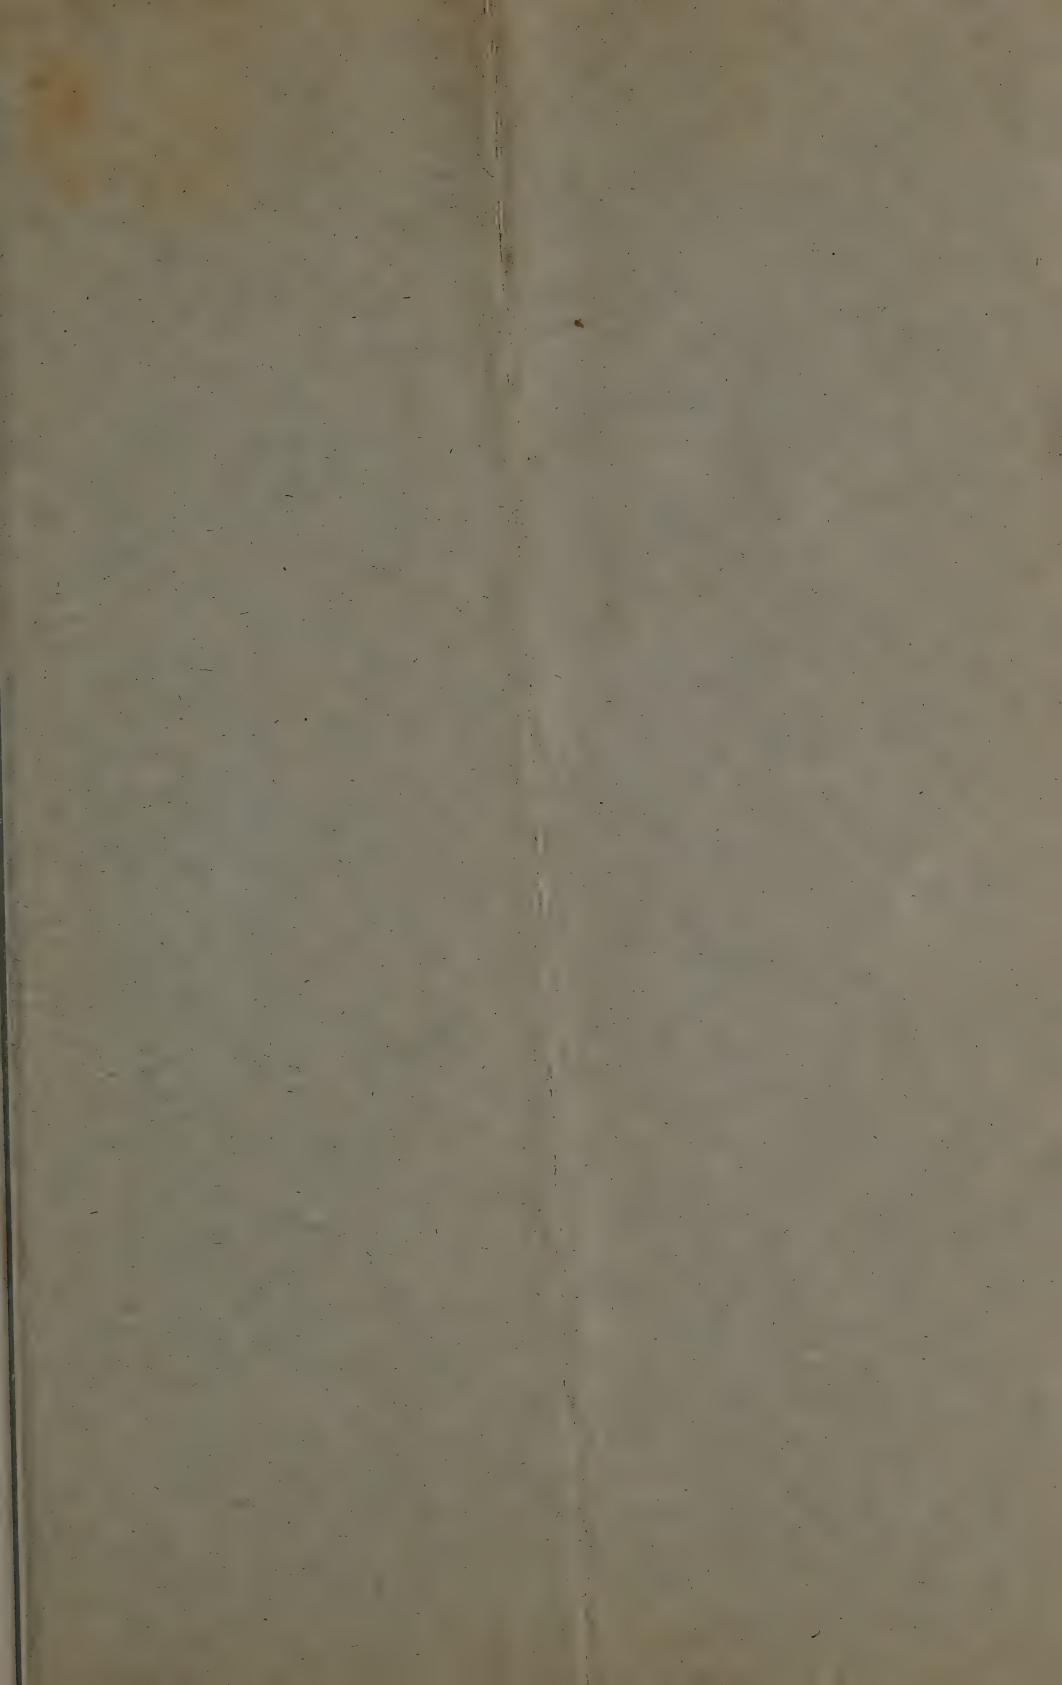

During the year three class-room inspections were given, when hands, arms, chest, face and neck were inspected for symptoms of impetigo sores, rashes and infectious disease. Several visits were made in school follow-up cases and cod liver oil left in two homes for children needing same.

Arrangements made and accompanied a young man to the anti-tuberculosis clinic, in Bangor. The usual well-baby and pre-school conference was held, but due to the prevalence of the whooping cough, the attendance was small. Miss Clyde Ricker, of the Baby Saving Society of Bangor, assisted.

The health service is financed through the sale of the Christmas seals and town appropriation, for which we wish to express grateful appreciation.

WINIFRED L. DUNPHY, R. N.

## TOWN WARRANT

---

To William B. Claire, a Constable of the Town of Dedham,  
in the County of Hancock,      GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the said Town of Dedham, qualified by law to vote in town affairs, to assemble at the town hall in said town on Monday, the 9th day of March, A. D. 1936, at ten o'clock in the forenoon, to act on the following articles, to wit:

Article 1 To choose a moderator to preside at said meeting.

- 2 To choose a town clerk for the ensuing year.
- 3 To act on reports of town officers.
- 4 To choose all necessary town officers for the ensuing year.
- 5 To see if the town will vote to grant and raise such sums of money as may be necessary for the maintenance and support of schools, poor and town charges, roads and bridges, removing snow, and to defray all the necessary town charges for the ensuing year.
- 6 To see if the town will vote to raise a sum of money to help defray the expenses of Memorial Day.
- 7 To see if the town will vote when taxes shall be due and what rate of interest shall be charged after due.
- 8 To see if the town will vote "Yes" or "No" on the question of appropriating money necessary to entitle the town to State-aid, as provided in section 20, chapter 28, Revised Statutes of 1930.
- 9 To see what sum the town will appropriate and raise for the improvement of the section of State-aid road as outlined in the report of the State Highway Commission, in addition to the amounts regularly raised for the care of ways, highways and bridges, under the provisions of section 19, chapter 28, Revised Statutes of 1930, or under the provisions of section 3, chapter 175, Public Laws of 1935.
- 10 To see if the town, for the purpose of securing a temporary loan or loans to and for the use of said town in conducting its municipal business in the current municipal year of 1936 and in anticipation of and to be paid

out of the taxes of the current municipal year of 1936, will authorize and direct the town treasurer, subject to the approval of the selectmen, to borrow from time to time during said municipal year a sum or sums, not exceeding in the aggregate the sum of \$4,000, and to make, execute and deliver the negotiable note or notes of the town therefor, payable within said current municipal year and upon such terms as shall be satisfactory to said town treasurer and selectmen, any debt or debts incurred hereunder to be paid out of money raised by taxation during the present municipal year.

- 11 To see what the town will vote to pay for collecting, disbursing, labor on roads, removing snow, etc., and all town officers for the ensuing year.
- 12 To see if the town will vote to authorize the town treasurer, with the approval of the selectmen, to sell and convey the town's interest in lands and buildings that have been or may be forfeited to the town for non-payment of taxes.
- 13 To see if the town will vote to authorize the assessors to determine the amount and assess the same made necessary to comply with the provisions of chapter 43, of the Special Laws of Maine for 1927, relating to the participation of Lucerne-in-Maine Village Corporation in the town taxes.
- 14 To see if the town will vote to grant and raise a sum of money to provide for the services of a public health nurse.
- 15 To see if the town will vote to reimburse the bus drivers for insurance paid by them during the past twenty-two weeks of school, also for the coming spring term.
- 16 To take all necessary action to comply with the provisions of chapter 43, of the Special Laws of Maine for 1927, relating to special assessments.

The selectmen will be in session at the town hall at nine o'clock in the forenoon on the day of said meeting, for the purpose of revising and correcting the list of voters.

Given under our hands at Dedham, this 26th day of February, A. D. 1936.

GEORGE W. BREWSTER,  
 GEORGE A. GRAY,  
 BLAKE D. SMITH,  
 Selectmen of Dedham.

## SUPERINTENDENT OF SCHOOLS REPORT

To the School Committee and Citizens of the Town of Dedham:

I submit herewith the annual report of the school department.

Schools opened for the fall term September 3, with the following registration:

1st grade	7 pupils
2nd grade	5 pupils
3rd grade	9 pupils
4th grade	5 pupils
5th grade	5 pupils
6th grade	6 pupils
8th grade	4 pupils

Total

41 pupils with an av. attendance of 36

The town is paying tuition for twelve pupils in high school—one at Higgins Classical Institute, six at Bangor high school, four at Brewer and one at Ellsworth. These students have all made satisfactory records, so that their tuition has been paid by the town, with two-thirds of the amount reimbursed from the State.

In the elementary grades in town this year particular attention has been paid to the reading program about which the success of the whole curriculum depends. Mrs. Gladys Spearin, reading specialist from the State Department of Education, made one visit to the school, giving a demonstration of the modern methods of teaching reading.

A complete set of maps was added to Mrs. Sperry's room, which has been a source of great help in the teaching of geography and history.

My recommendations for a better school would be the substitution of a sub-primary grade, leaving out the ninth grade and completing the elementary grades with the eighth grade.

The training received in the sub-primary grades for a child five years old far outweighs any benefit derived from an extra year put at the end of the standard curriculum. Preparing a child to read and take part in school activities at an age when his or her mind is not developed sufficiently to take up the conventional subjects is very valuable training and shows its worth through the entire eight grades.

I think the transportation of pupils should receive the attention of the committee. While your drivers have done the best they could under the circumstances, I believe a more convenient and a much safer method might be worked out.

With the expression of my desire to be of service and willingness to be of help in the educating and guidance of your children, this is respectfully submitted.

L. T. DUNHAM,

Superintendent of Schools.

## NURSING REPORT

The Public Health work in the schools has been much the same as in other years. The annual physical inspection has been given the Union primary and grammar schools. Defects found: Infected eyelids, 1; defective vision, 3; teeth carious or decayed, 31; abnormal throats, 8; nasal obstruction, 3; diseased gums, 1; unclean scalps, 1; defective speech, 2; scabies, 1. Of the 36 pupils inspected, 34 were found with defects, and 2 eligible to qualify for the six and seven-point pin and certificate. Of the 31 having carious or decayed teeth, 27 were found to have temporary decayed teeth, while 5 only the permanent teeth decay.

There have been a few corrections, as follows: Eight dental, 3 vision corrections with glasses, 1 adenoid and tonsil correction, 1 skin, 5 postures, 3 scalp.

During the past year 6 visits have been made to the schools, 30 to school children in their homes, 10 pre-school, 3 baby welfare, and 1 pre-natal.

The service which the Hancock County Health Service renders the many towns of Hancock county is financed through the sale of Christmas seals, and by town appropriation, for which we express sincere thanks, and appreciation for the cooperation we have received from citizens.

Respectfully submitted,

WINIFRED L. DUNPHY, R. N.

# TOWN WARRANT

To William B. Claire, a Constable of the Town of Dedham,  
in the County of Hancock,                      GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the said town of Dedham, qualified by law to vote in town affairs, to assemble at the town hall, in said town, on Monday, the 8th day of March, A. D. 1937, at ten o'clock in the forenoon, to act on the following articles, to wit:

- 1 Article 1 To choose a moderator to preside at said meeting.
- 2 2 To choose a town clerk for the ensuing year.
- 3 3 To act on reports of town officers.
- 4 4 To choose all necessary town officers for the ensuing year.
- 5 5 To see if the town will vote to grant and raise such sums  
of money as may be necessary for the maintenance and  
support of schools, poor and town charges, roads and  
bridges, removing snow and to defray all the necessary  
town charges for the ensuing year.
- 6 6 To see if the town will vote to raise a sum of money to  
help defray the expenses of Memorial Day.
- 7 7 To see if the town will vote when taxes shall be due and  
what rate of interest shall be charged after due.
- 8 8 To see if the town will vote "Yes" or "No" on the ques-  
tion of appropriating money necessary to entitle the  
town to State-aid, as providedd in section 20, chapter 28  
of the Revised Statutes of 1930.
- 9 9 To see what sum the town will appropriate and raise for  
the improvement of the section of State-aid road as  
outlined in the report of the State Highway Commis-  
sion, in addition to the amounts regularly raised for the  
care of ways, highways and bridges, under the provisions  
of section 19, chapter 28, Revised Statutes of 1930, or  
under the provisions of section 3, chapter 175, Public  
Laws of 1935.
- 10 10 To see if the town, for the purpose of securing a tempor-  
ary loan or loans to and for the use of said town in  
conducting its municipal business in the current muni-  
cipal year of 1937, and in anticipation of and to be paid  
out of the taxes of the current municipal year of 1937,  
will authorize and direct the town treasurer, subject to  
the approval of the selectmen, to borrow from time to

time during said municipal year a sum or sums not exceeding in the aggregate the sum of \$4,000, and to make, execute and deliver the negotiable note or notes of the town therefor, payable within said current municipal year and upon such terms as shall be satisfactory to said town treasurer and selectmen, any debt or debts incurred hereunder to be paid out of money raised by taxation during the present municipal year.

- 11 To see what the town will vote to pay for collecting, disbursing, labor on roads, removing snow, etc., and all town officers for the ensuing year.
- 12 To see if the town will vote to authorize the town treasurer, with the approval of the selectmen, to sell and convey the town's interest in lands and buildings that have been or may be forfeited to the town for non-payment of taxes.
- 13 To see if the town will vote to authorize the assessors to determine the amount and assess the same made necessary to comply with the provisions of chapter 43, of the Special Laws of Maine for 1927, relating to the participation of Lucerne-in-Maine Village Corporation in the town taxes.
- 14 To see if the town will vote to grant and raise a sum of money to provide for the services of a public health nurse.
- 15 To see if the town will vote to observe the one hundredth anniversary of the incorporation of the town during the summer season, and raise a sum of money to defray the expenses.
- 16 To take all necessary action to comply with the provisions of chapter 43, of the Special Laws of Maine for 1927, relating to special assessments.

The selectmen will be in session at the town hall at nine o'clock in the forenoon on the day of said meeting for the purpose of revising and correcting the list of voters.

Given under our hands at Dedham this 25th day of February, A. D. 1937.

GEORGE W. BREWSTER,  
 GEORGE A. GRAY,  
 BLAKE D. SMITH,

Selectmen of Dedham.

# SCHOOL REPORT

## Report of Superintendent of Schools

To the School Committee and the Citizens of the Town of Dedham:

I herewith submit the annual school report. The school in Dedham opened with the following enrollment:

Grade	Boys	Girls	Total
1	3	3	6
2	4	3	7
3	3	3	6
4	6	3	9
5	4	2	6
6	2	2	4
7	5	1	6
9	2	2	4
	—	—	—
	29	19	48

Tuition pupils to high school are as follows:

Bangor high—Leo O. Anderson, Lily H. Anderson, Phyllis E. Gray, Elsie A. Juntillaine, Norma M. Miller.

Brewer high—Erwin Black, Earle Young, Linnie Gray, Robert Whiting, Florence Young.

Higgins Classical Institute—Walter Huskins.

The elementary grades had fifteen weeks in the fall term with a two weeks' vacation. I think this was an improvement, as a fifteen-week term is quite long for small children and a two-weeks' interval gives them a change from school routine enabling them to do better work for the next term.

The work done on the schoolyard is a big improvement. With the numerous rains which we have had this season the yard has been in good condition.

We have been able to add new text-books in the upper grades this year. New and modern books in reading have been a source of enjoyment to the pupils. We hope to be able to continue replacing the old books with modern text-books as the need arises.

Electric lights which were put in the school building this

year have been a big improvement during the short winter days. Eye strain can be greatly reduced by their use on dark days.

Recommendations for next year would include an increase in the library facilities of both the lower and upper grades. This is something which can be done without a very large expenditure, and something which every child can enjoy.

A beginning should be made in securing or building some playground apparatus. Now that the grounds are in better condition, playground apparatus would tend to make the recess periods a better part of the school day.

Toilet facilities should be a matter for consideration before another school year. The committee realizes that these need attention and I think that more sanitary conditions will be made by the beginning of the fall term.

It has been gratifying to be able to secure materials of instruction so necessary to a good school. With one school in town I think we should continue to see that there should be no lack of adequate textbooks and supplies, or other materials of instruction.

I should be very pleased to be of assistance to any parent regarding their child's progress in school. Assuring you of my desire to be of service this report is submitted.

L. T. DUNHAM,

Superintendent of Schools.

## NURSING REPORT

---

During April, 1936, class room inspection was given in the primary and grammar schools, and pupils absent at the time of the annual inspection were given individual inspection and a check-up made on the six and seven-point pupils. The last of May of the same year this was repeated.

In September the annual inspection was given the Dedham primary and grammar schools, with the exception of the Snellen's Test for Vision, and the Whisper Test for Hearing. Returned in October and completed the two tests, also inspected the pupils absent at the September visit. Notification slips sent to the homes, and health talks given in each class room. Following are the findings: Defective vision, 5; infected eyelids, 1; decayed teeth, 34; abnormal throats, 12; obstruction nose, 5; postural defects, 1; 10 per cent. or more underweight, 5. Since previous inspections there have been eight dental corrections, one vision, one throat correction.

Of the forty-eight inspected, thirty-nine were found to have some defect, nine eligible to qualify for the six and seven-point pin and certificate. Of the thirty-four having decayed teeth, twenty-nine have temporary decays, while fourteen have the permanent decayed teeth, eleven needing prophylactic cleaning.

There is always a feeling of "well being" when one accomplishes a correction of long standing. Visits of school follow-up resulted in one pupil being conveyed to and from the eye specialist at Bangor and eyes examined and fitted to glasses. This child had been struggling to do her school work with only half vision, and when properly fitted, was able to see as others do.

The services rendered the towns of Hancock county is financed through the sale of Christmas seals, and by town appropriation. We express our sincere thanks and appreciation to all who have helped in any way to further the work of the service, without which we could not "Carry On".

WINIFRED L. DUNPHY,  
County Nurse.

# SCHOOL REPORT

## REPORT OF THE SUPERINTENDENT

### School Committee

George W. Brewster, Shirley Young, Maurice Miller

To the School Committee and Citizens of the Town of Dedham, I herewith submit the annual report of the school department:

Schools opened September 1, with the same teachers as last year, and with the following enrollment:

First grade—Boys, 1; girls, 4.  
Second grade—Boys, 7; girls, 5.  
Third grade—Boys, 2; girls, 2.  
Fourth grade—Boys, 5; girls, 3.  
Fifth grade—Boys, 3; girls, 4.  
Sixth grade—Boys, 4; girls, 4.  
Seventh grade—Boys, 2; girls, 2.  
Eighth grade—Boys, 6; girls, 2.  
Total, 56.

High school pupils attending school outside the town are as follows: Charles Brewster, Maine Central Institute, freshman; Myrtle Emery, Bangor high, freshman; Barbara Gray, Bangor high, freshman; Norma Miller, Bangor high, junior; Linnie Gray, Brewer high, left January 4, 1938; Florence Young, Brewer high, junior.

The increased payments for high school tuition, with the increased cost of conveyance, has very nearly used up the unexpended balance of previous years. The additional family which formerly attended the Holden school, had to be conveyed to the Dedham school this year, necessitating an extra trip for the conveyance.

This coming year, with but five tuition students, the cost of this item will be much smaller. I recommend that \$2,000 be raised for school purposes together with a smaller amount for repairs. The playground apparatus was completed and has been a source of enjoyment to the pupils. Chemical toilets were also installed before the school began in the fall, and are proving quite satisfactory.

Standard Achievement tests were given to both the fifth and sixth grades during the winter term. During the spring

term these same tests will be given to the seventh and eighth grades. These examinations contain tests in arithmetic computation, arithmetic reasoning, reading (both vocabulary and paragraph meaning), spelling, language usage, literature, history and civics, geography, and physiology and hygiene. Carefully derived age and grade norms, representative of school children throughout the country, are given. This gives a very comprehensive check on grade placement and pupils' ability as well as a comparison of achievement. From the results of the testing program so far, I can see no necessity for regrading.

The conveyances, which were contracted for one year, have been done by the use of a bus and private car. If a bus is to be used on the Green Lake route, I recommend that this route be contracted for a period of three years, which would give the driver an opportunity to provide that type of conveyance. The practice of letting a conveyance for one year does not give a driver assurance of continued service in order to expend the amount necessary for a bus.

Soliciting your cooperation in matters pertaining to the welfare of our schools, this report is

Respectfully submitted,

L. T. DUNHAM,  
Superintendent of Schools.

**HANCOCK COUNTY HEALTH SERVICE**  
**February 1, 1937, to February 1, 1938**

---

During May the nurse visited the Dedham primary and grammar schools for classroom inspection and to check up on the Seven-Point child activity and give individual inspections to those absent at the time of the annual inspection for 1936.

The annual inspection was given to the pupils of the primary and grammar schools. Number of pupils found to have defective vision, 2; decayed teeth, 35; abnormal throats, 9; obstruction of nose, 3; defective posture, 2; 10 per cent or more underweight, 3; 20 per cent. or more overweight, 1; inflamed gums, 1; defective speech, 4; unclean scalp, 1.

Of the 53 pupils inspected, 39 were found to have defects; 14 qualified for the Seven-Point pin and certificate.

Of the 35 with decayed teeth, 29 have temporary teeth decayed, while 18 the permanent, and 8 need prophylactic cleaning. Neglected decayed teeth ruin the health; poor health makes poor students.

Since previous inspections, there have been 10 dental, 1 vision, 1 tonsil and adenoid, and 1 scalp correction, which shows interest along the right lines. Notification slips were sent to the homes and a health talk given in each room.

The audiometer for testing the hearing was used in both classrooms; 32 taking the test, all passing with normal hearing.

With the consent of the family, the family physician made arrangements with the hospital at Ellsworth and the physician to do the operation for the removal of tonsils and adenoids of a pupil. This pupil had been out of school because of poor health, but the surgeon felt that a tonsil and adenoid operation was not needed at this time. A correction of vision was made, and the boy is again in school and seems improved in health.

The service rendered the many towns of Hancock county is made possible through the sale of Christmas seals and by town appropriations, for which we express our appreciation, and thank all who have in any way contributed to make this work possible.

Respectfully submitted,

WINIFRED L. DUNPHY, R. N.,  
Hancock County Health Nurse.

## TOWN WARRANT

---

To George W. Brewster, a Constable of the Town of Dedham,  
in the County of Hancock,                      GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the said town of Dedham, qualified by law to vote in town affairs, to assemble at the town hall, in said town, on Monday, the 13th day of March, A. D. 1939, at ten o'clock in the forenoon, to act on the following articles, to wit:

Article 1 To choose a moderator to preside at said meeting.

2 To choose a town clerk for the ensuing year.

3 To act on reports of town officers.

4 To choose all necessary town officers for the ensuing year.

5 To see if the town will vote to grant and raise such sums of money as may be necessary for the maintenance and support of schools, poor and town charges, roads and bridges, removing snow and to defray all the necessary town charges for the ensuing year.

6 To see if the town will vote to raise a sum of money to help defray the expenses of Memorial Day.

7 To see if the town will vote when taxes shall be due and what rate of interest shall be charged after due.

8 To see what sum the town will raise and appropriate for State-aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of section 19, chapter 28, Revised Statutes of 1930, or under the provisions of section 3, chapter 229, Public Laws of 1937.

9 To see if the town, for the purpose of securing a temporary loan or loans, to and for the use of said town in conducting its municipal business in the current municipal year of 1939, and in anticipation of and to be paid out of the taxes of the current municipal year of 1939, will authorize and direct the town treasurer, subject to the approval of the selectmen, to borrow from time to time during said municipal year a sum or sums not ex-

ceeding in the aggregate the sum of \$4,000, and to make, execute and deliver the negotiable note or notes of the town therefor, payable within said current municipal year, and upon such terms as shall be satisfactory to said town treasurer and selectmen, any debt or debts incurred hereunder to be paid out of money raised by taxation during the present municipal year.

- 10 To see what the town will vote to pay for collecting, disbursing, labor, removing snow, etc., and all town officers for the ensuing year.
- 11 To see if the town will vote to authorize the town treasurer, with the approval of the selectmen, to sell and convey the town's interest in land and buildings that have been or may be forfeited to the town for non-payment of taxes.
- 12 To see if the town will vote to grant and raise a sum of money to provide for the services of a public health nurse.
- 13 To see if the town will vote to authorize the assessors to determine the amount and assess the same made necessary to comply with the provisions of chapter 43 of the Special Laws of Maine for 1927 relating to the participation of Lucerne-in-Maine Village Corporation in the town taxes.
- 14 To take all necessary action to comply with the provisions of Chapter 33 of the Special Laws of Maine for 1927 relating to special assessments.
- 15 To see if the town will vote to raise the sum of \$15 to install a street light northerly of Harlan Knight's residence.

The selectmen will be in session at the town hall at nine o'clock in the forenoon on the day of said meeting, for the purpose of revising and correcting the list of voters.

Given under our hands at Dedham this 28th day of February, A. D. 1939.

GEORGE W. BREWSTER,  
GEORGE A. GRAY,  
BLAKE D. SMITH,

Selectmen of Dedham.

## SCHOOL REPORT

### School Committee

George W. Brewster, Shirley Young, Maurice Miller

Schools opened September 12, with Kenneth Coleman teaching the upper grades and Josie Smith teaching the lower grades. The enrollment in the grades is as follows:

	1	2	3	4	5	6	7	8	9	Tot.
Boys	3	1	5	1	3	3	4	2	4	26
Girls	4	2	4	2	2	4	2	2		22
Total	7	3	9	3	5	7	6	4	4	48

Pupils attending high school outside of town are as follows: Brewer high: Florence Young, senior; Bangor high: Myrtle Emery, sophomore; Barbara Gray, sophomore. Higgins' Classical Institute: Charles Brewster, sophomore.

From the above list of students, one is to be graduated this year. There are four in the graduating class who may be attending high schools another year.

The local school has had the services of Kenneth Coleman of Ellsworth for the upper grades and Mrs. Smith, the lower grades. The work of Mr. Coleman is especially commendable, in that he never confines his teaching to text-book work alone, but endeavors to give his pupils a knowledge of what it means to be a good citizen. His teaching is modern, progressive and up to date. Mrs. Smith can always be depended upon to turn out good students from her room, thoroughly schooled in the fundamentals.

I recommend that a science program be added this year. A science program is valuable because the knowledge and training values developed from it are continuous and gradual. In addition to laying a foundation on which future study may be based, it acquaints the pupil with those manifold practical facts of environmental science which have such an important bearing on his daily life. Health, guidance, economic interests, and the simpler but richly cultural applications of science all find a place in a course of this kind. With the set-up of the new text-books this course begins in the first grade and continues through the ninth. It offers interesting supplementary reading through both the lower and upper grades as well as a valuable addition to the curriculum.

### Repairs

With the increasing number of pupils, it is again becoming a problem where to put them. With only two leaving the primary room and five new pupils entering in the fall, this room will be too crowded for the comfort and health of these children. I would propose that the appropriation for repairs take in consideration providing some extra space in this room. The upper grade room is in good shape and needs no particular expenditures with the exception of cleaning.

Appreciating and soliciting again your interest in the school this report is

Respectfully submitted,

L. T. DUNHAM,

Superintendent of Schools.

## AUDITOR'S REPORT

Dedham, Maine, March 7, 1939

To the Inhabitants of Dedham, Maine:

This is to certify that it is impossible to complete an audit of the records of your town officials and present the town with a report of the same in time for your annual town meeting.

A portion of the audit has been done and at the present time we can report that no evidence has been found whereby the integrity of any town official can be questioned.

This audit will be completed as soon as possible after April 1, 1939.

Respectfully submitted,  
 STATE DEPARTMENT OF AUDIT,  
 By Garland C. Lewis,  
 Auditor.

### HANCOCK COUNTY HEALTH SERVICE

During April, 1938, visited the primary and grammar schools regarding the Early Diagnosis Tuberculosis Campaign, interviewed teachers and distributed pamphlets and posters.

Class-room inspections given, and a check-up of the Seven-Point pupils made so as to qualify for the pin and certificate. Individual inspection was given those absent when the annual inspection was given.

The annual physical inspection was given the primary and grammar pupils. Number with defective vision, 1; inflamed eyelids, 1; decayed teeth, 28; inflamed gums, 1; abnormal throats, 7; obstruction of nose, 5; rash on skin, 1; unclean scalp, 1; 10 per cent. or more underweight, 3; 20 per cent. or more overweight, 1.

Of the forty-five pupils inspected, thirty-four were found to have defects; eleven were eligible to qualify for the Seven-Point pin and certificate. Since previous inspections there have been six dental and one vision correction.

We were fortunate, through the interest of Mrs. Josephine Moore, health officer, in having all the pupils of the primary and grammar school immunized against diphtheria. Dr. Harry MacNeil of Bangor gave the inoculation.

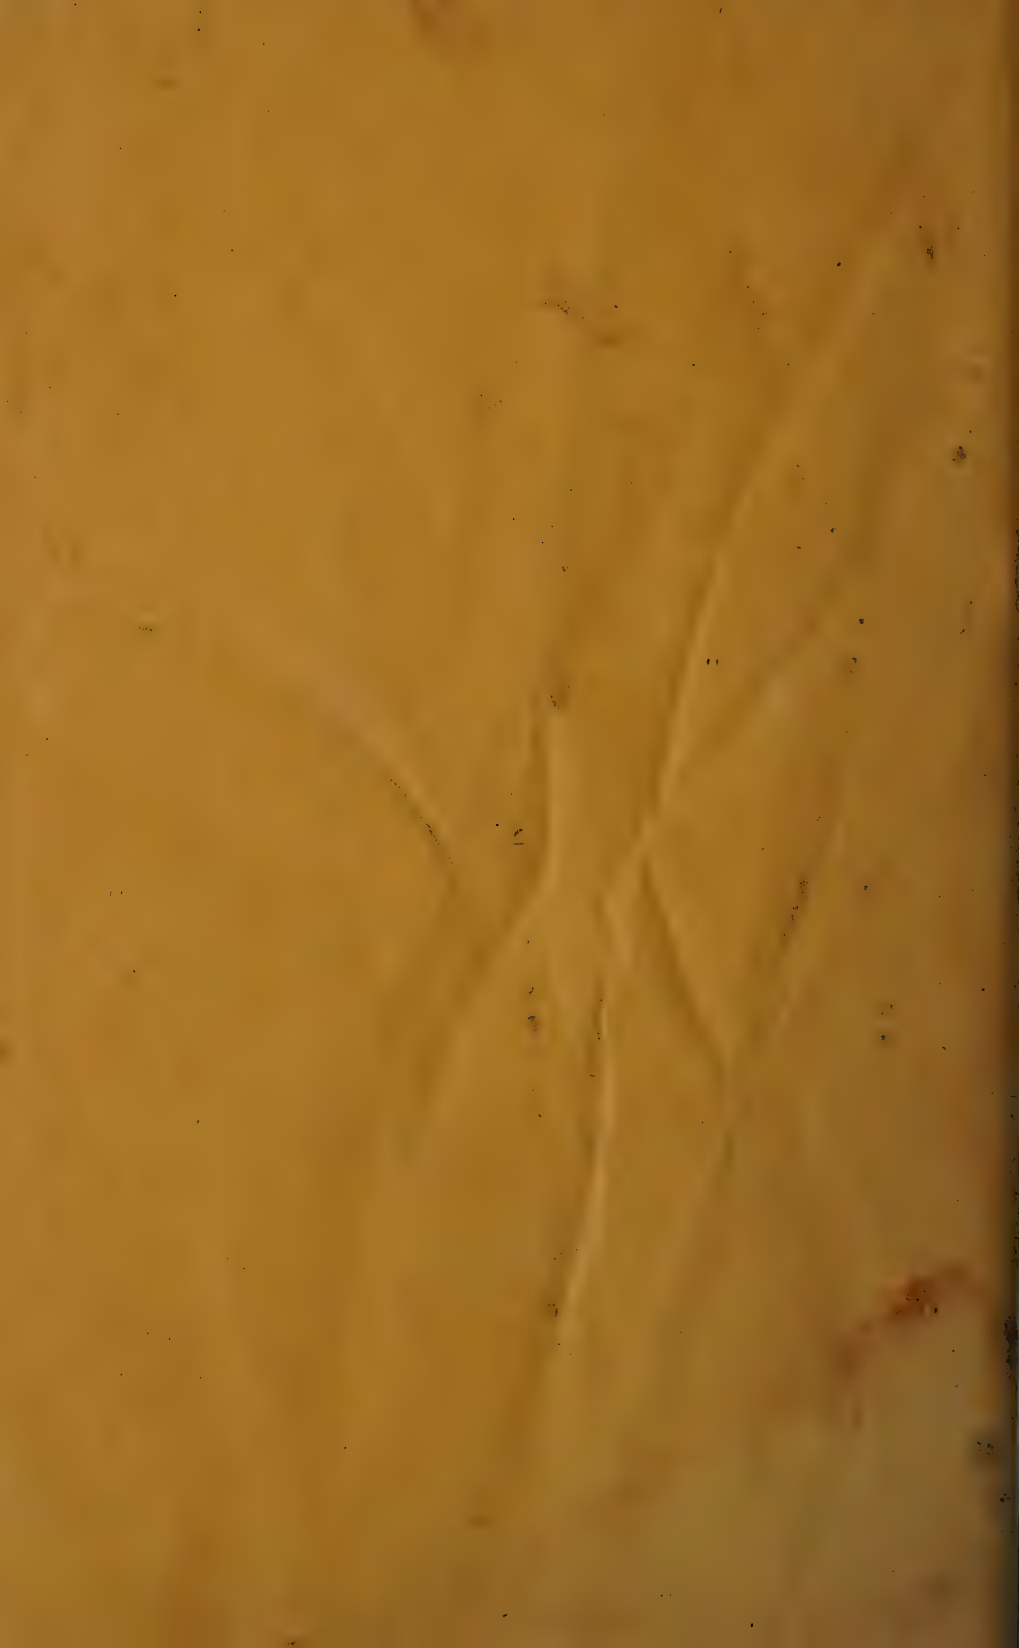

In answer to a telephone call from the selectmen, made arrangements with the Bar Harbor hospital and a surgeon of Bar Harbor, to operate on a patient who needed treatment, but the patient refused to go when the nurse called to see her.

Calls were made to thirty-five pupils, and three visits were made to a chronic shut-in.

This service is financed through the sale of the Christmas Seals and by town appropriation. We express our sincere thanks and appreciation to all who have made this work possible.

WINIFRED L. DUNPHY, R. N.  
Hancock County Public Health Nurse.

## TOWN WARRANT

---

To William B. Claire, a Constable of the Town of Dedham, in  
the County of Hancock, GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the said town of Dedham, qualified by law to vote in town affairs, to assemble at the town hall, in said town, on Monday, the 11th day of March, A. D. 1940, at ten o'clock in the forenoon, to act on the following articles, to wit:

- Article 1 To choose a moderator to preside at said meeting.
- 2 To choose a town clerk for the ensuing year.
  - 3 To act on reports of town officers.
  - 4 To choose all necessary town officers for the ensuing year.
  - 5 To see if the town will vote to grant and raise such sums of money as may be necessary for the maintenance and support of schools, poor and town charges, roads and bridges, removing snow and to defray all the necessary town charges for the ensuing year.
  - 6 To see if the town will vote to raise a sum of money to help defray the expenses of Memorial Day.
  - 7 To see if the town will vote when taxes shall be due, and what rate of interest shall be charged after due.
  - 8 To see what sum the town will raise and appropriate for State-aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges), under the provisions of Section 19, Chapter 28, Revised Statutes of 1930, or under the provisions of Section 3, Chapter 229, Public Laws of 1937.
  - 9 To see if the town, for the purpose of securing a temporary loan or loans to and for the use of said town in conducting its municipal business in the current municipal year of 1940, and in anticipation of and to be paid out of the taxes of the current municipal year of 1940, will authorize and direct the town treasurer, subject to the approval of the selectmen, to borrow from time to time during said municipal year a sum or sums not exceeding in the aggregate the sum of \$4,000, and to make, execute and deliver the negotiable note or notes of the town therefor, payable within said current

municipal year, and upon such terms as shall be satisfactory to said town treasurer and selectmen, any debt or debts incurred hereunder to be paid out of money raised by taxation during the present municipal year.

- 10 To see what the town will vote to pay for collecting, disbursing, labor on roads, removing snow, etc., and all town officers for the ensuing year.
- 11 To see if the town will vote to authorize the town treasurer, with the approval of the selectmen, to sell and convey the town's interest in lands and buildings that have been or may be forfeited to the town for non-payment of taxes.
- 12 To see if the town will vote to grant and raise a sum of money to provide for the services of a public health nurse.
- 13 To see if the town will vote to authorize the assessors to determine the amount, and assess the same, made necessary to comply with the provisions of chapter 43, of the Special Laws of Maine for 1927 relating to the participation of Lucerne-in-Maine Village Corporation in the town taxes.
- 14 To take all necessary action to comply with the provisions of chapter 33 of the Special Laws of Maine for 1927 relating to special assessments.
- 15 To see if the town will vote to raise a sum of money, not to exceed \$300, for repairs on the Judge house, this place to be used by a poor family that the town may be paying rent for.
- 16 To see if the town will vote to raise a sum of money, not to exceed \$18 per year, for one street light on the lower road, situated between the Smith and Doughty residences in Dedham.

The selectmen will be in session at the town hall at nine o'clock in the forenoon on the day of said meeting, for the purpose of revising and correcting the list of voters.

Given under our hands at Dedham, this 29th day of February, A. D. 1940.

GEORGE W. BREWSTER,  
RICHARD D. EMERY,  
BLAKE D. SMITH,

Selectmen of Dedham.

## STATE DEPARTMENT OF AUDIT

---

Augusta, February 2, 1940.

George W. Brewster,  
Chairman, Board of Selectmen of Dedham,  
East Holden, Maine, R. F. D. 2

Dear Sir: — In reply to your letter of January 30th, will say that Mr. McFarland called me last evening and advised that if the weather was suitable, he would be in our office Saturday forenoon with the report on his tax audit for your town. We will endeavor to get a report back to you as soon as possible.

It is very doubtful if we will be able to have Mr. Doble audit your accounts in February, as we have already received applications from probably two hundred or more towns, most of them wanting their work done this month.

Our crew is able to handle about 70 towns through the months of January, February, and part of March.

The report, which we will submit covering your 1938 transactions, should be printed to satisfy your taxpayers and we will take care of your 1939 accounts just as soon as possible.

Very truly yours,

DIVISION OF MUNICIPAL ACCOUNTS.

Harold E. Crawford,  
Chief Auditor.

### AUDITOR'S REPORT

---

Dedham, Maine, March 6, 1940

Selectmen, Town of Dedham, Maine:

Gentlemen: This is to certify that I have audited the accounts of the town of Dedham for the year ended February 22, 1940.

The accounts of the treasurer and collector, and selectmen's warrants, have been well and correctly kept, funds collected and deposited in bank, all warrants properly drawn and recorded. The net unexpended balance for the year showing a profit of \$586.87. A complete audit will be submitted to your board soon.

Respectfully submitted,

MELVIN M. McFARLAND,  
Public Accountant and Auditor.

High school students attending schools out of town are: Charles Brewster and Frank Adams, Higgins Classical Institute; Myrtle Emery and Barbara Gray, Bangor high school; Glenice Gray, Brewer high school.

Your grade schools have been conducted very creditably. I feel quite satisfied with the progress the pupils have made.

The State Department of Education has granted us \$100 for reference books. This amount will be divided between the two rooms, so that each room will be provided with a reading table to supplement the regular reading program.

From the report of the school nurse it would seem a good idea to sponsor a dental clinic in town. This is a procedure which has been followed in several towns and could be worked out in your town, in order that these defects might be corrected.

Recommendations for the following year are:

Common schools	\$2,100.00
Repair account	100.00

Respectfully submitted,

L. T. DUNHAM,

Superintendent of Schools.

## NURSE'S REPORT

To the Selectmen, Town of Dedham, Maine:

Herein I submit a brief report of services rendered the town of Dedham, by the Hancock County Health Service, January 1, 1939, to January 1, 1940.

During March, 1939, the nurse visited the Dedham primary and grammar schools, held class-room inspection, interviewed the teachers regarding a child with sores on the hands and body. A follow-up visit was made to the home, and talked with the mother relative to the diet.

The work in the schools has continued much the same as in previous years—routine weighing and measuring, the Snellen test for vision, the whisper test for hearing, inspection of the teeth, throat, head, scalp, and for rashes and sores, for postural defects, personal cleanliness and for symptoms of infectious diseases.

The health and nutrition of the pupils has seemed very satisfactory, and the vision and hearing apparently normal. Several have had corrections and are wearing glasses. The audiometer test has been used in the school and will again be used during the year.

The annual physical inspection was given the primary pupils in October and the grammar pupils during December. Following is the result and the defects found:

Pupils who have inflamed eyelids, 1; decayed teeth, 32; abnormal throats, 5; obstruction of nose, 2; swollen glands, 2; biting fingernails, 2; 10% or more underweight, 4; 20% or more overweight, 1.

Of the 48 pupils inspected, 35 were found to have defects, 11 were eligible to qualify for the seven-point pin and certificate. Since previous inspection there have been 8 dental, 4 vision, and 1 tonsil and adenoid cases corrected.

Notification slips were sent to the homes, and a short health talk was given in each room.

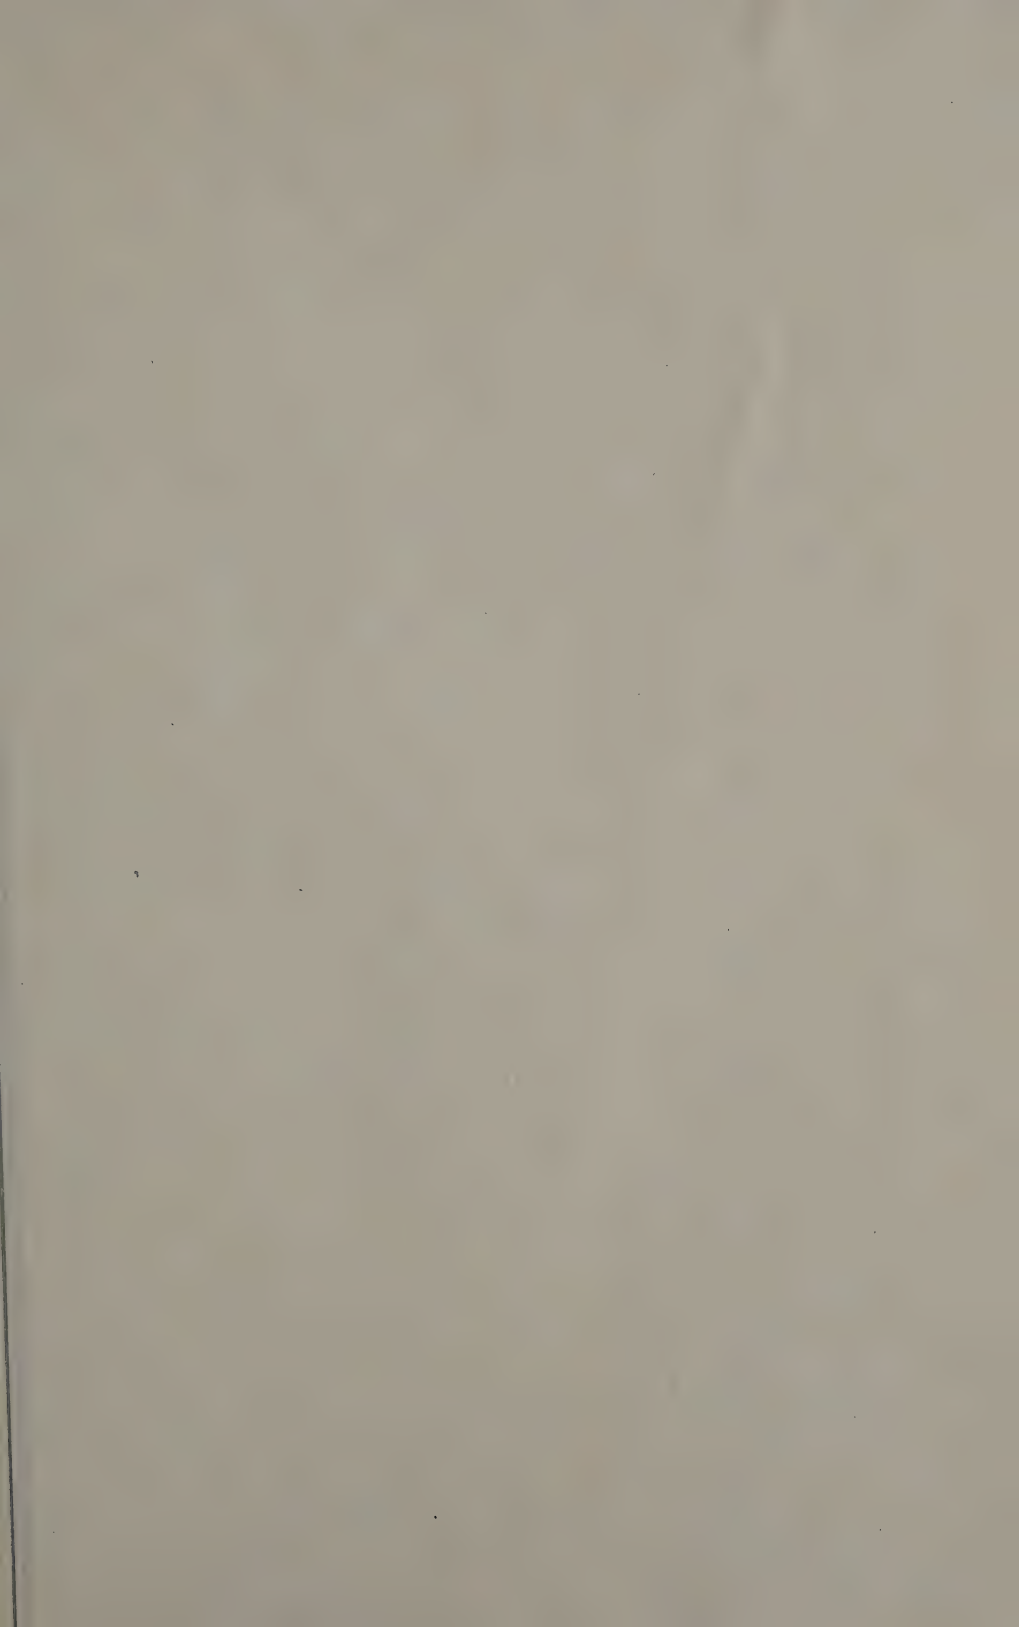

The services rendered the many towns of Hancock county is financed through the sale of the Christmas Seals, and by the town appropriation. We wish to express our sincere thanks and appreciation to all who have assisted in the work.

Respectfully submitted,

WINIFRED L. DUNPHY, R. N.,

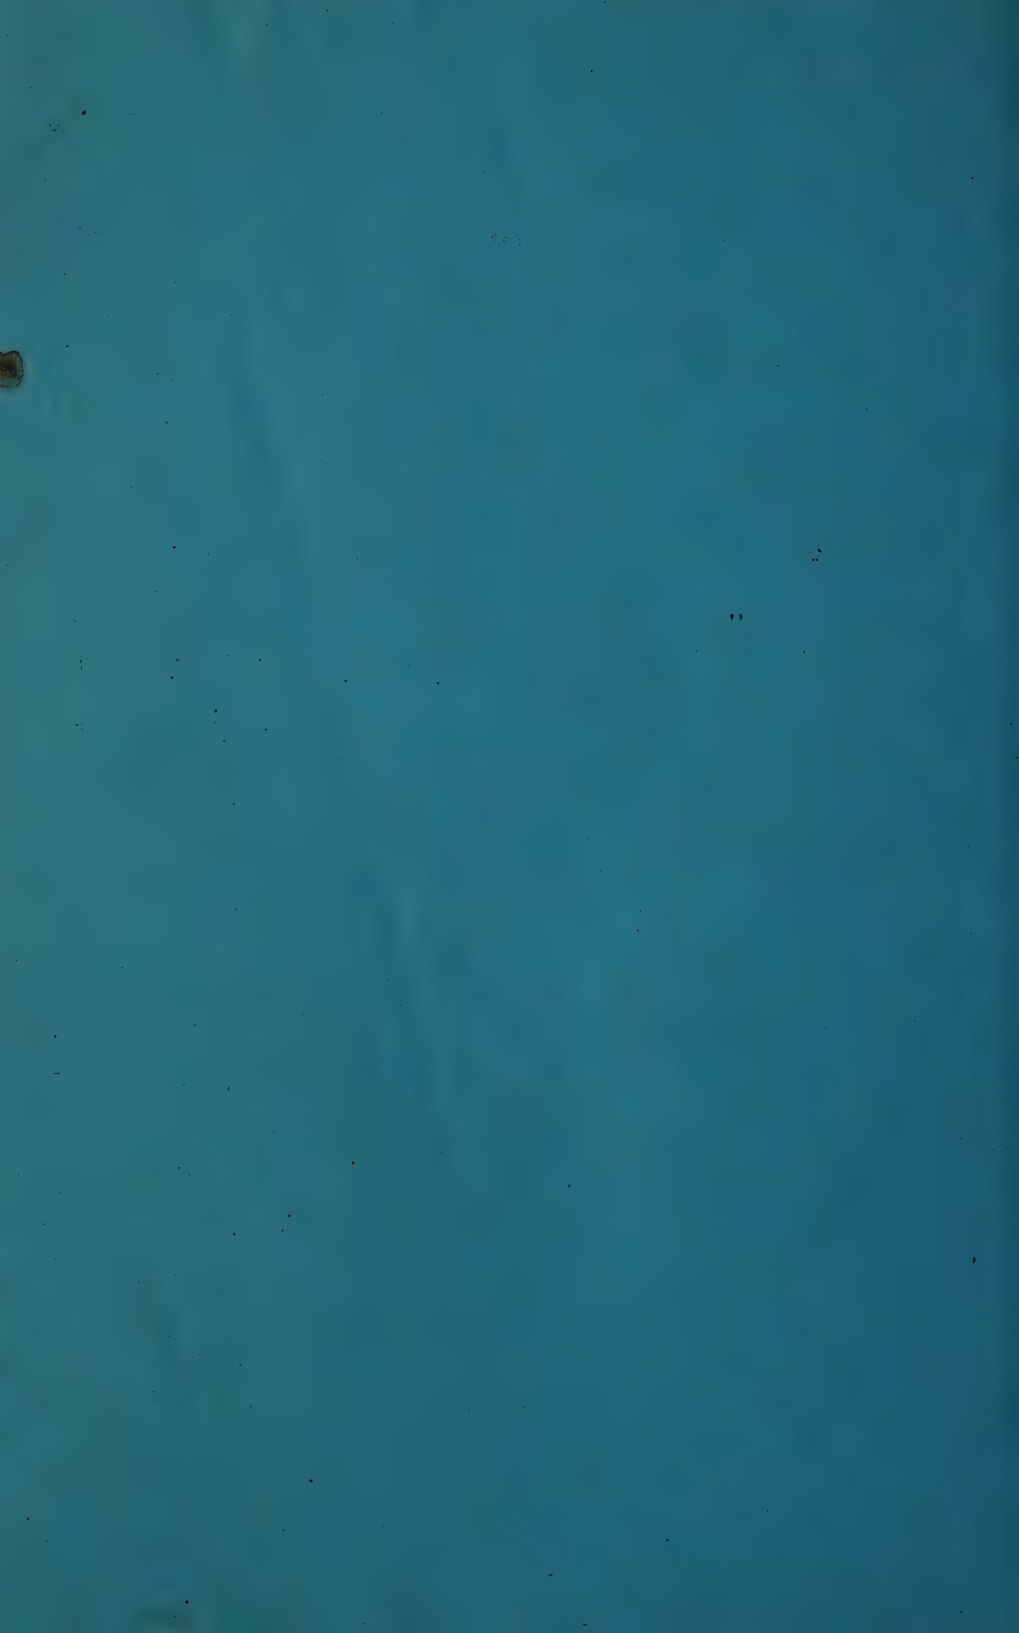

Public Health Nurse.

## TOWN WARRANT

---

To William B. Claire, a Constable of the Town of Dedham, in the County of Hancock,                      GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the said town of Dedham, qualified by law to vote in town affairs, to assemble at the town hall, in said town, on Monday, the 10th day of March, A. D. 1941, at ten o'clock in the forenoon, to act on the following articles, to wit:

Article 1 To choose a moderator to preside at said meeting.

- 2 To choose a town clerk for the ensuing year.
- 3 To act on reports of town officers.
- 4 To choose all necessary town officers for the ensuing year.
- 5 To see if the town will vote to grant and raise such sums of money as may be necessary for the maintenance and support of schools, poor and town charges, roads and bridges, removing snow, and to defray all the necessary town charges for the ensuing year.
- 6 To see if the town will vote to raise a sum of money to help defray the expenses of Memorial Day.
- 7 To see if the town will vote when taxes shall be due, and what rate of interest shall be charged after due.
- 8 To see what sum the town will raise and appropriate for State-aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges), under the provisions of section 19,, chapter 28, Revised Statutes of 1930, or under the provisions of section 3, chapter 229, Public Laws of 1937.
- 9 To see if the town, for the purpose of securing a temporary loan or loans to and for the use of said town in conducting its municipal business in the current municipal year of 1941, and in anticipation of and to be paid out of the taxes of the current municipal year of 1941, will authorize and direct the town treasurer, subject to the approval of the selectmen, to borrow from time to time

during said municipal year, a sum or sums not exceeding in the aggregate the sum of \$4,000, and to make, execute and deliver, the negotiable note or notes of the town therefor, payable within said current municipal year, and upon such terms as shall be satisfactory to said town treasurer and selectmen, any debt or debts incurred hereunder to be paid out of money raised by taxation during the present municipal year.

- 10 To see what the town will vote to pay for collecting, disbursing, labor on roads, removing snow, etc., and all town officers for the ensuing year.
- 11 To see if the town will vote to authorize the town treasurer, with the approval of the selectmen, to sell and convey the town's interest in lands and buildings that have been or may be forfeited to the town for non-payment of taxes.
- 12 To see if the town will vote to grant and raise a sum of money to provide for the services of a public health nurse.
- 13 To see if the town will vote to authorize the assessors to determine the amount, and assess the same, made necessary to comply with the provisions of chapter 43 of the Special Laws of Maine for 1927 relating to the participation of Lucerne-in-Maine Village Corporation, in the town taxes.
- 14 To take all necessary action to comply with the provisions of chapter 33 of the Special Laws of Maine for 1927 relating to special assessments.
- 15 To see what action the town will vote to take on the shortage of the treasurer for the municipal year ending March 13, 1939, as shown by the State auditors.
- 16 To see what action the town will vote to take on the shortage of the collector of taxes, as shown by the audit of Melvin F. McFarland.
- 17 To see if the town will vote to reimburse George A. Gray, treasurer of the town of Dedham, Maine, all money expended by him for the purpose of paying for bonds as treasurer of the town of Dedham for the years 1939 and 1940.

- 18 To see if the town will vote to reimburse Harlan B. Knights, collector of taxes of the town of Dedham, Maine, all money expended by him for the purpose of paying for bonds as tax collector of the town of Dedham for the year 1940.
- 19 To see if the town will vote to authorize the selectmen to purchase bonds for the tax collector and treasurer for the year of 1941.
- 20 To see if the town will vote to authorize the selectmen to take action in placing the tax collector's books for the years 1928 to 1938 inclusive, where they legally belong.
- 21 To see if the town will vote to authorize the selectmen to improve the toilet facilities at the town hall.

The selectmen will be in session at the town hall at nine o'clock in the forenoon on the day of said meeting, for the purpose of revising and correcting the list of voters.

Given under our hands at Dedham, this 28th day of February, A. D. 1941.

GEORGE W. BREWSTER,  
BLAKE D. SMITH,  
JOHN A. CHENEY,  
Selectmen of Dedham.

## AUDITOR'S REPORT

---

To the Inhabitants of the Town of Dedham:

This is to certify that we have audited the accounts of the treasurer and collector for the municipal year 1940-1941, as hereby qualified.

The treasurer's account shows cash in the bank amounting to \$2,298.34 as proven by bank statement issued by the Merrill Trust Company. The cash book balance as proven by the selectmen's and treasurer's accounts amounts to \$2,052.79. This leaves a difference between the actual checking account balance and cash book balance of an overage of \$245.55, verified as follows: The treasurer has received from H. B. Knights \$253.86 on tax lien collections for which he has not given receipts, and has deposited this amount in the bank. Then the bank, for the year 1939-1940, deducted service charges amounting to \$6.30, and further deducted for the year 1940-1941 service charges of \$6.72, making a total deduction of \$13.02. A warrant has never been issued for this amount, thus he should be short by this amount. The difference in shortage shows a net overage of \$4.71 in the treasurer's account.

The collector's account was not audited in detail due to the fact that there was no supporting list of Lucerne Town taxes. However, the town resident and non-resident taxes were verified with the supporting schedule of uncollected taxes, and a shortage in the collector's account was discovered of \$1,586.00. This amount, I understand from the collector, he is withholding pending a full settlement for tax liens for the year 1939. Although I have not verified the fact that he has this amount of money, I have no reason to believe that this is not the case. A full audit of the 1940 commitment will be completed shortly.

The selectmen's records as to receipts and disbursements were verified and found to be in balance.

Due to lack of time, it is impossible to complete the audit before your annual town meeting, but a full and complete report will be given you at a later date.

Very truly yours,

PAUL A. SMITH,

Public Accountant and Auditor.

March 4, 1941.

# SCHOOL REPORT

## School Committee

Earl DeWitt, Shirley Young, Maurice Miller

To the School Committee and Citizens of the Town of Dedham,  
I herewith submit the annual school report.

Enrollment by grades is as follows:

	1	2	3	4	5	6	7	8	9
Boys	3	4	2	2	4	2	4	2	2
Girls	5	3	5	2	5	1	1	3	4
Total	8	7	7	4	9	3	5	5	6

Total, 54.

Secondary students attending school out of town are:

Frank Adams, Higgins Classical Institute.  
Mae Adams, Higgins Classical Institute.  
Charles Brewster, Higgins Classical Institute.  
Myrtle Emery, fall term, Bangor high school.  
Barbara Gray, Bangor high school.  
Glenice Gray, Brewer high school.

The grade schools began September 9, with Basil Kinney teaching the upper grades and Mrs. Josie Smith the lower grades. The following is the school calendar:

Fall Term—September 9-December 20, 15 weeks. Two weeks' vacation.

Winter Term—January 6-February 28, 8 weeks. Vacation.

Spring Term—April 7-June 13, 10 weeks.

## Holidays

October 2—County Teachers' Convention.

October 23-24-25—State Convention.

November 28-29—Thanksgiving.

May 30—Memorial Day.

The following are tuition students attending Dedham school from nearby towns: Dolores Inman and Edward Inman, Otis. Norma DeWitt, Marilyn DeWitt, Barbara DeWitt, Charles Murray and Carlene Bragg, Lucerne-in-Maine.

Kenneth Coleman of Ellsworth, who taught the upper grades so efficiently for the past two years, resigned shortly before school was to begin. Basil Kinney of Eaton was en-

gaged to take his place. The same type of organization of the grades was continued as of last year.

#### REPAIRS

Under the repair account I would suggest raising enough money for minor repairs to the toilets, and also painting the walls on the inside. Other than this, the interior of the schoolhouse is in good condition.

#### TEXT-BOOKS AND SUPPLIES

The ordinary fill-ins for text-books and supplies were purchased this year. The school is well equipped with up-to-date text-books. A set of Lincoln's Library and one set of Picturesque Tales of Progress was added to the school library, which, along with the set of Compton's Encyclopedia, makes a good reference library.

#### EXTENSION OF SCHOOL YEAR

When the town feels financially able, I would recommend extending the school and a reorganization of the nine grades. This would include a sub-primary grade with the ninth grade eliminated. Emphasis would then be placed on the start a child receives in school by a well-planned program in the lower grades.

The greatest difficulty in a school system is the proper start which children get in school. In many schools an effort is made to teach children to read when they enter the first grade. This practice is based on the belief that children are ready to begin learning to read when they are six years old.

The results of tests and observations show, however, that children entering school differ in many respects, such as mental age, alertness, physical development, kind and gauge of experiences, and various personality traits. For those children unprepared to begin learning to read, the mere postponement of reading instruction is not sound. It is essential to provide for such pupils a program of pre-reading activities purposeful in content and practical in application in order to develop and strengthen the abilities that are requisite for success in learning to read. This is the purpose of a sub-primary grade which is a sound and logical improvement.

Your cooperation is solicited. My continued interest is assured in the well being of your schools.

L. T. DUNHAM,  
Superintendent.

## NURSE'S REPORT

---

Visited the schools during April relative to the Early Diagnosis Tuberculosis Campaign and distributed pamphlets and posters. Classroom inspection was held and a check-up made of the Seven Point pupils.

In August and September three nursing visits were made, and nine school follow-up visits made to homes. On October 31, the annual individual inspection was given to the primary school pupils and notification slips were sent to the homes. Twenty census slips also were sent to ascertain the different diseases the pupils have had. The nurse attempted to visit the school again in December but the road was so slippery the car went into the ditch and the nurse was forced to return to Ellsworth.

The annual physical inspection was given the pupils of Dedham grammar school on January 7. These defects were found: Pupils who have defective vision, 1; defective hearing, 1; decayed teeth, 32; abnormal throats, 3; nasal obstruction, 3; unclean scalp, 2; 10% or more underweight, 2; 20% or more overweight, 1; biting finger nails, 3.

Of the 51 pupils inspected, 40 were found to have defects, 11 were eligible to qualify for the Seven-Point Pin and Certificate. Since previous inspections, 10 dental and one throat correction have been made.

The annual routine inspection of the school children and frequent visits to school show the children to be in good condition on the whole, and needed corrections are being made gradually.

The service rendered the many towns of Hancock county is financed through the sale of Christmas Seals, and by town appropriation. We wish to extend our sincere thanks and appreciation to all who have in any way assisted in the work of the Hancock County Health Service.

Respectfully submitted,

HANCOCK COUNTY HEALTH SERVICE.
